## Baldwin's Main St. Farmers Market

The Baldwin's Main St. Farmers Market runs from the first Saturday in June through the second Saturday in October. We are open each and every Saturday from 9am—1pm (rain or shine).

We offer a variety of vegetables, fruits, eggs, jams, jellies, salsas, maple syrup, honey, beef, chicken, pork, candles, and soaps. Every Saturday offers new and unique products.

We have activities planned for most Saturdays and are incorporating activities for families and kids, alike.

Prior to coming to the market, plan your meals for the week. You will find all the items needed for fresh home-cooked meals that are healthy, while supporting local farmers and gardeners.

Enjoy homemade pizza or salsa made with fresh produce or simply enjoy fresh greens, carrots, potatoes, beets and so much more.
